MY KIND OF PLACE

At Katandra Rise you'll wake up to a lifestyle you've only dreamed about. Surrounded by nature and connected to every urban amenity, days are alive with activity one minute, then relaxed by nature the next.

An established community revels in a privileged, tree-lined neighbourhood, where you can catch a bus, take the train or drive to work without the stress and traffic. It takes moments to walk the kids to school or to nearby parks and playgrounds, while the convenience of a lazy morning coffee in a bustling town centre can be found a short stroll away.
